Dear Community Partner,

As you know, there are families and individuals in our community in need of assistance with their most basic needs, such as proper food, shelter, and essential medical care. The Edgerton Community Outreach (ECO) prides itself on its commitment to those in need, and strives to provide them with the tools and resources required to make improvements in their situations.

As a nonprofit 501c3 human service agency, ECO serves over 150 local families each month at the food pantry alone. But the Edgerton Community Outreach is more than just a food pantry; ECO provides a multitude of services for those in need, such as emergency rent assistance, eviction protection, help with utility costs, medical needs assistance, transitional living, community meals, back to school supplies, and breakfast snack packs for our elementary school students.

The Edgerton Community Outreach is excited to announce our 3rd annual golf outing fundraiser, **'Going Green on a 'Hole' New Level'**, scheduled for **Saturday May 6, 2017**. With the help and support of our community, we are confident that we can raise the funds that will allow us to continue to provide for those in need, and strengthen the community through the common bond of service and care.

We need your help to make this event a success! We greatly appreciate your donation for our raffles and auctions.

With the generous support of friends like you, we will continue to help local families and individuals to not only meet essential daily needs, but sustain those basic needs.

With our sincerest appreciation,

Sarah Williams, LSW
