Dear Community Partner,

The Edgerton Community Outreach (ECO) is excited to announce our 7th annual golf outing fundraiser, **scheduled for Sunday June 13th, 2021** at Creekview Par 3.

ECO's golf outing raises much needed funds to assist low income households with the basics of food, shelter and clothing. ECO prides itself on its commitment to those in need, and strives to provide them with the tools and resources required to make improvements in their situations; not giving a hand out but a hand up.

Your sponsorship of \$150 could provide lunch for 75 kids for one week, lodging for one week for one family, or gas vouchers for seven people to get to work. We need your help to make this event a success!

With the generous support of friends like you, we will continue to help local families and individuals to not only meet essential daily needs, but sustain those basic needs.

With our sincerest appreciation,

Sarah Williams, BSW
