ECO Food Pantry Gearing Up to Serve More Families Amid Ongoing Government Shutdown

As the government shutdown continues, the Edgerton Community Outreach (ECO) Food Pantry is preparing to serve a growing number of households in need. With many families expected to lose their Food Share benefits for the month of November, ECO is stepping up to help fill the gap.

As the shutdown continues, ECO remains committed to serving local families and ensuring that everyone has access to essential food and resources.

If asked, ECO can accept non-perishable food items, as well as fresh and frozen foods. Donations can be dropped off at Edgerton Community Outreach during regular business hours.

For more information or to learn how to help, visit www.edgertonoutreach.org or call 608-884-9593.

Volunteer Highlight

This week's Volunteer Highlight is Tony who has been volunteering since 2024 in the food pantry!

Tony chose to volunteer to connect with the Edgerton business community, meet new people, and for a "sense of purpose". Tony's favorite parts about volunteering are delivering the food orders which gives him the opportunity to visit and become acquainted with different places, and, interacting with staff, volunteers and customers.

Tony's note to ECO is "Volunteering at ECO helped me transition into a new community, since moving here . . .from Chicago. Its given me a sense of purpose in this nice community. Overall it has been very rewarding."
