Volunteer Highlight

Edgerton Community Outreach would like to extend a heartfelt thank you to everyone that has volunteered with ECO in some capacity this past year!

This year alone, volunteers have logged over 11,000 hours of volunteer time through October! People told us they volunteer for many different reasons and we are truly blessed with all volunteers throughout the year. We know that ECO can only complete our mission to serve those in need because of the incredible volunteer team!

If you're interested in learning about different volunteer opportunities, we'd love to talk with you and will gladly match your passion with meaningful ways to get involved around your schedule.
