## Director's Note

This week I would like to express my gratitude for our Thrift Store Staff and Volunteers. We reached our goal of getting to the bottom of the clothing pile! All areas of the store; upstairs and downstairs looks great. Amanda and crew have kept the flow of donations running smoothly and product is getting on the sales floor. Tanya and crew are working to improve organization upstairs. They are implementing a new storage system for online sales and we are all working to keep the hallways as cleared as possible. Everyone's hard work is reflected in our Thrift Store sales. Last week Friday ECO had sales of \$1738 which is a new record!
