Community News

Welcome to our new Monday Morning News Layout!

ECO and Feels Like Home has expanded to feature Mid-century Modern furniture and décor, and vintage clothing and accessories at both retail locations as well as online. The Etsy store featuring clothing, accessories, linens, and hard goods has a five-star rating and ships items all over the country (including Hawaii and Alaska!). Clothing specialist Amy has been diligently picking, organizing, and listing vintage items while also training others how to spot vintage clothing. Thank you to everyone who has personally given something to her to sell, or helped her find the next gem.

ECO is looking for a volunteer to support the new vintage clothing retail programs, as well as the Poshmark and thrift store clothing departments. A knowledge and love of fashion is a huge plus. If you have a love for clothing, reach out to Tanya or fill out an online volunteer application. Check out the vintage goods at ECO, FLH, and on Etsy!

Volunteer Highlight

This week's Volunteer Highlight is Marcia in Holiday. Marcia began volunteering at ECO 15 years ago!

Marcia's favorite part of volunteering is the people she works with. She began volunteering because she wanted to be apart of a great organization who does good for all.

Let's take a moment to appreciate her efforts and time in helping make the Holiday area successful.

THANK YOU MARCIA!

Thank you for reading!
