Director's Note

The Edgerton Outreach Thrift Store is open on Sunday from 12pm-4pm on a trial basis for the months of May and June. Last spring, ECO partnered with students from the University of Whitewater School of Business to complete a review of ECO's retail operations. These Master Level students offered many suggestions that ECO has implemented at both locations. The last item to address is ECO's Sunday hours. The improvements in the Thrift Store in regards to efficiency in processing donations over the past 6 months is remarkable; and now seemed like a good time to give Sunday's a try. We have only been open for two and are off to a good start even with this past Sunday being Mother's Day. It will be interesting to see how sales and donations go over the next 8 weeks. The feedback has been very positive and we have heard from many that they had never been to our store in the past.

Community News

A generous donation from Cornerstone of HOPE has provided the the Edgerton Library with FREE seeds. The Edgerton Library is asking those to donate any excess produce to Edgerton Food Pantry to be shared with others in the community. Distribution began Monday, May 12, and seeds will be restocked while supplies last. There is no limit, but the library asks you take what you need. The Edgerton Food Pantry appreciates any fresh donated produce. It is a great source of nutrition for our pantry guests. Thank you Edgerton Library for your partnership and support!
