Sweet Success at the Pie & Custard Social!
Rain couldn't stop the fun—or the pie!

Edgerton Community Outreach's annual Pie & Custard Social was a sweet success, even with last-minute changes due to the weather. When skies turned gray, we pivoted and moved the event to 210 West Fulton Street—and it turned out to be the perfect spot! The space gave our pie team plenty of room for slicing, storing, and serving up delicious treats.

While some had to search a little harder to find us, many did—and we're so glad you did! We were also thrilled to share the space with the Friends of the Library, who hosted their book sale at 210, giving visitors even more reasons to stop by and check out our exciting new facility.

Thanks to all who pre-ordered pies—over 30 in total! Our amazing baking crew whipped up an incredible 90 pies this year, and it's safe to say they'll be back in action for Chilimania. Be sure to follow us on Facebook for your second chance to pre-order in the fall!

This year's Social raised over \$1,600—a record for the event! With how well the new space worked, we're already planning for 210 West Fulton Street to become the Social's new home, complete with tents and tables out front to make it easy to find us next year.

Thank you to everyone who baked, bought, and braved the weather. We're grateful for your support!
