OUTREACH BUILDING

## ECO Note

Chilimania sold out of pies, brats, and chili making it a successful event!

We want to thank all the volunteers who helped in any capacity. Volunteers filled shifts in helping prep and serve food and directing parking. Many volunteers from the local VFW, Edgerton Outreach, & community members. We couldn't do this without our volunteers!

Staff usually do not carry their work cell phones on days they don't work, so they may not get the message in time

## Volunteer Highlight

This week's Volunteer Highlight is Tammy who has been volunteering since 2023 in both the food pantry and holiday area!

Tammy chose to volunteer after just moving into the area. She wanted to meet people and heard what a good organization Edgerton Outreach is! Tammy's favorite parts of volunteering are meeting different people & seeing what ECO does for the community & surrounding areas.

Tammy's note to ECO is "After volunteering for a few short months, I am amazed at what this organization does for the community!"
