

# COLDEST NIGHT OF THE YEAR

it's cold  out there

*Help fundraise for charities assisting those experiencing homelessness, hunger, and hurt.*

**CNOY.COM/EDGERTON**

## Local and active charity

in our community, Edgerton Community Outreach (ECO), is participating in Coldest Night of the Year. Coldest Night of the Year is an international family-friendly walk that raises money for local charities that help people experiencing homelessness, hunger, and hurt. Participants join forces with ECO to gather donations towards their walk. ECO's fundraising goal is \$20,000 with the proceeds benefiting the remaining building costs for their Veteran Housing Project located at 210 West Fulton Street.

Edgerton Community Outreach has partnered with non-profit Coldest Night of the Year to help raise the remaining building funds needed to complete the Veterans Housing Project located at 210 West Fulton Street. Coldest Night of the Year is a family-friendly 2k or 5k walk taking place on Saturday, February 22nd. The event will begin and end at Lounge 1848 and will include warm food and drinks for participants.

Becoming a fundraising master is not the only way to get involved! There are over 40 volunteer opportunities at Coldest Night of the Year from Check-In, Drivers, Food, Parking, Cheerleaders, and more. If fundraising isn't what you're looking for, but you would still like to get involved, becoming a volunteer is the perfect solution! Volunteers can register on the same website as the walkers.

---

CNOY will take place on February 22 at Lounge 1848 located at 112 West Fulton Street, Edgerton, WI 53534. We ask registered volunteers to congregate at Feels Like Home at 4pm on the day of the event. Check-in for participants begins at 4pm at the starting location. The walk begins at 5pm, with walkers required to be on the route by 6pm and returning to Lounge 1848 by 7pm.

ECO has been an active part of the Edgerton community for many years. They are excited to begin a new event that directly involves community families and beyond, all with the goal of finishing their continued project to house Veterans, Veteran families, and give our local VFW Post 2708 a permanent place to meet.

To register a team, as a walker, to become a volunteer or to donate to a walker, a certain team, or ECO directly visit our city's Coldest Night of the Year page at [CNOY.com/Edgerton](http://CNOY.com/Edgerton). For any questions regarding the event you can contact Edgerton Community Outreach directly via email or phone: 608-884-9593 [outreachbrehmer.com](http://outreachbrehmer.com).
