ECO Note/Community News

April is National Volunteer Month, and we're celebrating the incredible people who give their time and energy to support our mission. Last week, Outreach showed appreciation with fun, themed food days in honor of our volunteers—just a small way to say thank you for all they do. We're also grateful for the many groups, businesses, and organizations that lend their support throughout the year. Their contributions make a meaningful impact in our community. If you've ever thought about getting involved, now is a great time. There are a variety of volunteer opportunities to match different interests and schedules. To learn more, reach out to Tanya and discover how you can make a difference.

Volunteer Highlight

Ron has been volunteering at Outreach for about 13 years! You can find Ron working on electronic donations to check if the item works or not.

He decided to volunteer to keep busy, and we are so grateful he did!

Ron's favorite part of volunteering is the variety of things he gets to work on and do!

THANK YOU RON!
