ECO Note/Community News

Lunch in the Park is back this summer starting Monday, June 8!

ECO is proud to partner with the Edgerton School District to provide free grab-and-go lunches during the 3 weeks of summer school at Community Elementary School and Edgerton Middle School.

We're also excited to continue serving lunch at the Central Park pavilion off Swift Street. Free meals will be available Monday–Thursday from 12:00–1:00 PM and will continue through at least August — helping kids and families stay nourished all summer long!

Interested in volunteering or making a donation? We'd love your support! Contact us at (608) 884 - 9593

A huge thank you to the Edgerton School District, our incredible volunteers, and generous donors for helping make this program possible for our community!

Volunteer Highlight

Malcolm has been volunteering since September 2024 with the Edgerton School District Tider's Program.

Malcolm's favorite thing about volunteering is working with the media, checking the CDs, DVDs, and tapes for scratches and to make sure everything is clean.

Malcolm's note to ECO "Volunteering gives me something to do. It helps me with employment skills. I enjoy seeing all the different media come in."
