OUTREACH BUILDING

ECO Note/Community News

Hey, Creative & Crafty Volunteers-

We're still looking for more volunteers to complete unfinished craft projects that have been donated to us. You select which project you'd like to work on. Work on it at home, on your timeline. Then return the completed project to Outreach for us to sell or maybe even include in a raffle basket to raise money at one of our many fundraising events.

So, if you, or any of your crafty friends and family members have an interest in learning more, contact Tanya at (608) 884 - 9593

Volunteer Highlight

Ash has been volunteering since 2024 with the Edgerton School District Tider's Program.

Ash's favorite thing about volunteering is working in the Food Pantry and seeing all of the food products. Ash likes making sure the bags don't get too heavy to carry.

Ash's note to ECO "I like volunteering so I can help people."
